Precautions

Warning

Please follow all instructions carefully. If any unusual activity is observed with the product, please turn off power immediately, unplug power cord, and contact us or your distributor.

■Safety Precautions
-Dropping the product or allowing it to get wet can cause damages. Electric shock may occur when in contact with liquids.

■Power Cord & Plug Precautions
-Make sure the plug is completely inserted into the outlet to prevent electric shock.
-Precautions to avoid electric shock or short circuit:
-Do not bend, stretch, damage, or hang heavy objects on the power cord.
-Do not use AC connecter if broken. Replace immediately to prevent electric shock or short circuit.
-Make sure your hands are dry before handling the AC connector to prevent electric shock or short circuit.
-Do not use other power supply except for current (100-240V).
-Switch off power and disconnect power supply when product is not in use.

■Dart Throwing Precautions
-Using too much strength in throwing darts may lead to hand, wrist, and shoulder injury or damaged product.
-Do not throw darts toward any person, animal, or object to prevent injuries and property damages.
-Only throw darts toward the dartboard.
-Do not walk in between the dartboard and the player when a game is ongoing.

■Choking Hazard
-Product contains small parts. Please keep product away from children under 3 years of age. Use with adult supervision only.

Precautions
VDarts H2&H2L Global Online Dartboard

■Prohibit Dismantling
-Do not attempt to open, modify, or repair the product by yourself.
Doing so may cause malfunction, deformation, or other damages.
-Contact manufacturer or distributor immediately if unusual activity is
observed. Incorrect use of product may result in injuries or property
damages.

■Hanging the Dartboard
-Make sure the wall is strong enough to hang the dartboard and
prevent falling or dropping of the product.
-Make sure the metal parts are fastened correctly when installing
the board. This should also be checked regularly.
-Use screws for hanging the board on wooden surfaces; and use
bolts when hanging on concrete walls.

■Darts
-Only use soft-tip darts not weighing over 20g. Do not use hard-tip or
steel-tip darts to avoid damages to the board.
-Maximum suggested weight of soft-tip darts is 20g.

■Hitting the Board
-Do not hit or press the dartboard heavily. Doing so can cause the board to
fall, which in turn can cause serious damages.

■Health Caution
-Prolonged use of the product may lead to hand or wrist fatigue. Avoid
excessive use and throwing.
-Consult the doctor before using the product if you have any existing hand
or wrist injury.
-Rest in between plays when playing long-term to avoid fatigue.

■Playing Age
-This product is suitable for ages 16 and up. Adult supervision is required for
ages below 16.

■Where to Install
-This product is made for indoor use only.

General Rules of Darts

VDarts H2&H2L Global Online Dartboard

Basic rules for dart

■When it is your turn, throw the darts one by one. After throwing three darts, you have completed your turn. This is called "one throw".

■After a player finishes his "one throw", the turn is given to the next player. When all players finish their "one throw", the round will end and the next round will start...

■When all rounds are finished, the game will end.The number of rounds is dependent on the type of game being played.

Basic rules for throwing dart

1 **Aiming**
Grip the barrel and stand stably.

2 **Take back**
Decide the target and draw back your forearm as much as possible.

3 **Throw**
Lock your elbow and throw the dart to target area by swinging forearm to dart board straightly.

Member Card Instructions and FAQ
VDarts H2&H2L Global Online Dartboard

Differences in Membership Cards:

| Items	System Activated Member Card	Ordinary Member Card
Logging in	Player uses the ID number found at the back of the card to login. Input card number as the account, and last 6 digits as the password. Log in and activate your e-mail to modify information or check scores.	Player cannot use the ID number to directly login. You need to create a VDarts account (must be 5 ~ 16 letters and numbers) on the VDarts member platform.
Pairing	Your account is already paired with the member card.	Add a member card in "Member card management" after logging in. Enter the ID card number to pair your member card to your account.
Advantage	Card is system activated so you will be able to use it as soon as you get it.	You can set your own ID and Password which will be easier to remember.
Disadvantage	You need to create a new account if you lose the card or forget the ID number.	You need to register a new account before you can use your member card.

Member Card Instructions and FAQ
VDarts H2&H2L Global Online Dartboard

Q: Will my scores and competition record be gone if my member card is damaged?

A: All your data is saved to your account. You only need to pair a new member card to your account and it will save your data history automatically.

Q: What should I do if I forget my member card password?

A: Please go to http://login.vdarts.net/forgetPassword.html and follow the instructions. If you still have a problem logging in, please contact our customer support at support@vdarts.tw.

Q: My member card cannot be paired to my account. It says that my card is already in use.

A: Please follow the instructions below:

1. Use your member card ID number as your account and take the last 6 digits of the ID number as your password to log into VDarts member platform.
2. Delete your original account and then log out.
3. Log into your account again and pair the card in the member card management. If not successful, please send an email to support@vdarts.tw (There are two kinds of member cards: the "System Activated Member Card" (Use ID number as your login details) and the "Ordinary Member Card" (register an account first to login)).

Q: How do I get a ranking/rating (Initial: N1)?

A: VDarts will give you a ranking/rating after competing with other players online for over 10 times.

Q: Why doesn't my rating change? I have improved a lot recently.

A: Remember that you need to login to your member account before entering the game for VDarts to record your data. Since the system averages the last 30 games you played, you might have to play more to see a change in your rating/ranking.
